Miss Me — But Let Me Go

When I come to the end of the road And the sun has set for me.
I want no rites in a gloom filled room
Why cry for a soul set free?

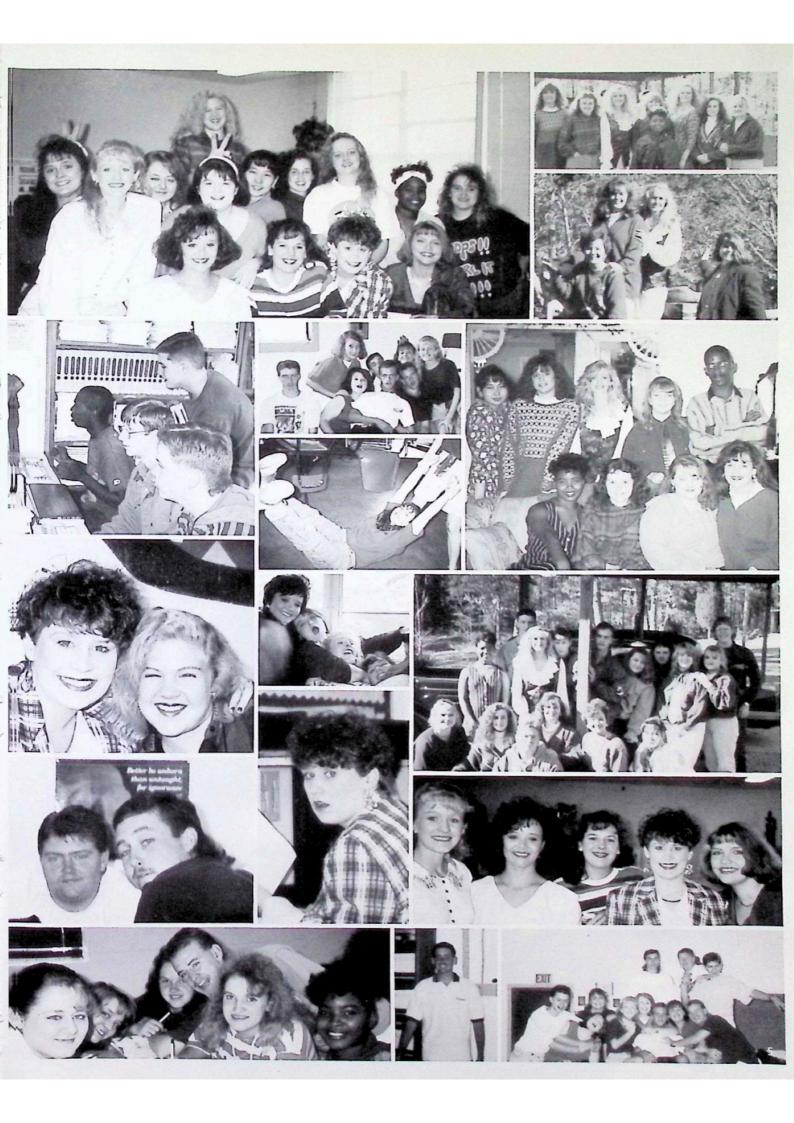

Miss Me a Little — But Not Too Long And not with your head bowed low Remember the love that we once shared Miss Me — But Let Me Go.

For this a journey that we all must take And each must go alone It's all a part of the Master's plan A step on the road to home.

When you are lonely and sick of heart Go to the friends we know And bury your sorrows in doing good deeds. Miss Me — But Let Me Go.

Among the 389 students attending Clarksburg school this year is one student seeking and education in the "American way of life". Algoul Nourmakhanova came to CHS from the former USSR and is ranked as senior. She wanted to learn about the United States, its people, and cultures through first hand experiences.

Aigoul had to achieve acceptable results on an aptitude test in order to be given an opportunity to travel, reside with an American family, and attend an American high school for a full school year.

Seventeen-year-old Algoul is from Kzyl-Orda, Kazakhstan, a city with a population of 200,000. Her country, the former republic of the U.S.S.R., achieved an independent status three years ago. In her country she attended a public school grades 1-11 with some 900 students. Here father works for the government and her mother is a housewife. Algoul has a married sister who had her first son while Algoul has been away. She is looking forward to seeing her new nephew. She also has a thirteen-year-old brother who is a student in

Junior High School.

Her host family, Jerry and Shirley Boyd reside in Westport, TN." The Boyds and her fellow students at Clarksburg have been extremely nice," said Aigoul. She is very happy to be a "host sister" to a baby-boy at the Boyd home.

Aigoul came to Clarksburg under the exchange program known as American International Student Exchange funded by foreign governments and various international businesses. With other exchange students, she has visited Washington DC, Disney World, Huntsville, Alabama and several cities in Tennessee.

Here at CHS Aigoul has taken courses in English, Economics, Psychology, American History, Home Economics, Algebra II, and Business Class. She has been elected as "Most studious" student by her fellow seniors. She is a member of FHA and Beta Club. She was a member of a HS Math team who competed at UTM.

Aigoul finds the subjects to be easier here than at home. At her home school, the teachers move from classroom to classroom instead of the students moving. She also noted that students do not have individual lockers at her home school.

During her experiences, Aigoul has noticed many differences from her native land. She has developed a liking for country music. She has been introduced to such culinary delights as pizza, breafast cereals, peanut butter, and the fascination of fast food restaurants. Aigoul will leave Clarksburg to return home on May 25th. Her immediate plans will include a move to the capital city of her home province. Her father will be working directly with the President there. She plans to attend college and work towards becoming a diplomat and translator. She hopes that a future return trip to the USA will be a reality someday soon.

Aigoul thanks everyone who helped her during this difficult, but rewarding year. She appreciates, host family and and her teachers for their understanding and patience. She will miss all her new friends and this fascinating new land.

Clarksburg School was blessed with the addition of 4 students teachers during the winter semester. They are pictured from left to right (top): Kristy Noles from U.T. Martin, Michael Wilson from U.T. Martin, (bottom): Sherry Haywood from Bethel College, and Michelle Martin from Bethel College.

School year '94 brought many new changes to our building. Windows were replaced with walls. A new central heating and air conditioning unit was installed for the use by the entire building. No more window air conditioners or steam heat. CHS has entered the modern age!

"He loved the cool crisp fall days and the crunch of fallen leaves underfoot. With rifle in hand he would take to the woods every available chance to do what he loved to do best — deer hunt." These words reflect the life of our beloved Dennis Wayne Brooks Jr., taken from us a he was murdered July 30 1993, while on his way to his grandparents' farmhouse on State Highway 114, out of Hollow Rock.

Dennis was a 1992 graduate of CHS. He was class Secretary and voted "Most Likely to Succeed" by his fellow classmates. He was a mem ber and officer of the Beta Club 1989-1992. He was an FFA officer and graduated with the Honor Roll Award for outstanding academi achievements, the Citizenship Award for his senior class, and the Presidential Academic Fitness Award. He also played baseball and wa an avid fan of all CHS sporting events. When he graduated he was among the top ten students in his class.

After graduation, Dennis enrolled in Jackson State Community College and was employed at the Subway Sandwich Shop in Huntingdon

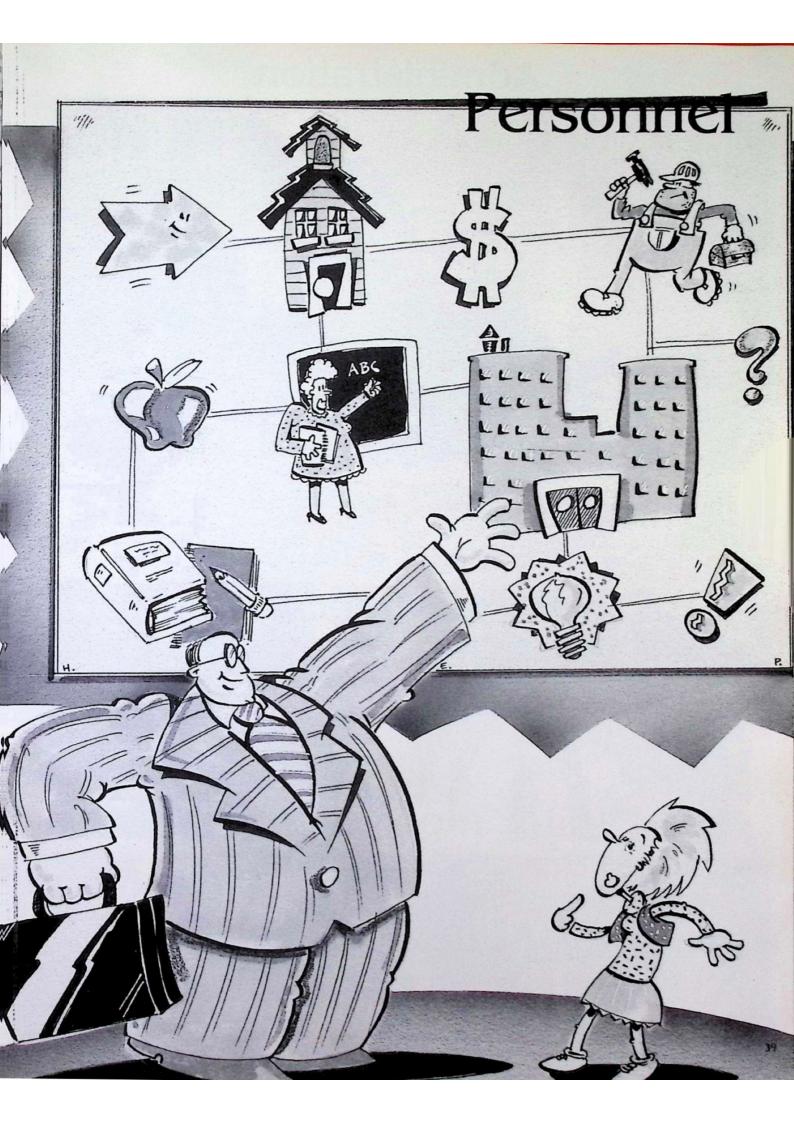

He was making plans to attend Memphis State, a long-time passion for Dennis.

Dennis, son of Mr. and Mrs. Dennis Brooks Sr., moved to Carroll County from Memphis and enrolled in Clarksburg School in 1983. had been attending Harding Academy in Memphis when he moved with several other Brooks family members, including aunts, uncles grandparents, and cousins, to our rural community. Mr. Brooks opened a nursery and landscaping business in 1986 which still thrives to day. Mrs. Brooks pursued her nursing career at Jackson Madison County General Hospital. Dennis's younger brother, Jeremy, also came to school here at Clarksburg and is now a Sophomore.

"Denny", as he was known by many, will be missed by us all. We pause at this time to pay tribute to a fine young man, a fellow student

and a special friend.

Greg Staten and Jamie Lindsey: Athletes of the year. Greg's num-ber will be retired for having been named to the all state team.

Clarksburg Seniors are from left to right: Jason Walton, Greg Staten, Chad Glosson, Tera Cobb, Tammy Leslie, Amanda Marlin, Holli Plunk.

Starter Lady Rockets from left to right: Erica Johnson, Casie Byars, Holly Whitaker, Jamie Lindsey, Liessa Vestal and Alanna Williams.

Starter Rockets from left to right: Jeremy Townsend, Greg Staten, Jason Walton, Wade Segraves, J.B. Staten, and Chad Glosson.

Clarksburg's high school basketball players and cheerleaders were honored with a banquet in Lexington, TN, April 8, 1994. Coaches Joe Dan Wooten and Rick Smith made their final presentations as head coaches. Wooten plans to forego coaching while remaining as principal of Clarksburg High School and Smith will be moving to another school.

The accomplishments of this past year were recalled by the coaches and cheerleading sponsor Janice Lewis as members of the faculty, parents and athletes listened. Guest speaker was Jackson attorney and former player of Coach Wooten, Mark Donahoe.

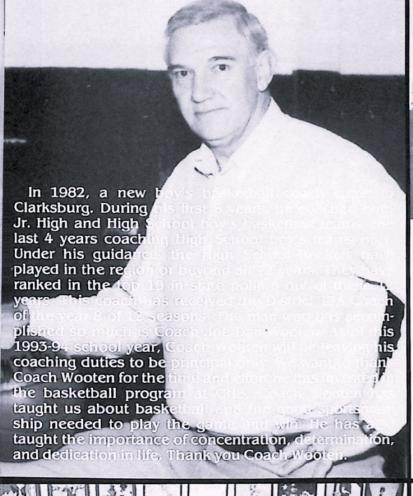

Donahoe played under Coach Wooten at McNairy Central in 1975-77 and told players he learned a great deal which led to his ultimate choice of the law as a career and receiving his degree to practice. He recalled how as a player, his life had been shaped in part by the rigors of practice and the need to succeed. He also recalled that in practicing to be more proficient at free throws he learned concentration which enabled him to withstand the long comprehensive testing at aw school. He told players that through athletics, he gained valuable experience which money would not buy and gained an enormous benefit through his participation. Donahoe encouraged each of them to savor the good times as well as the bad for they would assist them in later years.

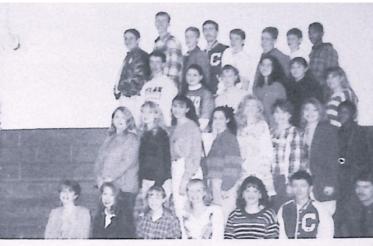

First awards were presented by Luke Welch, representing Lon's Sportsworld who provided the Athlete of the Year Awards. Welch told those assembled that small schools had a great advantage over the larger school where students learn to deal directly with others. He asked that they never regret having attended a small school. Awards were then presented to Greg Staten and Jamie Lindsey.

Ray Hodge, representing Carroll Bank and Trust presented plaques to Coaches Smith and Wooten and Rocket watches to seniors Chad Glosson, Jason Walton, Greg Staten, Tammy Leslie, Laura Tynes, Tera Cobb and Tina Cole.

The Bank of Huntingdon presented layouts (a framed artwork of the previous season, one each of the Rockets and Lady Rockets). Qirls received a layout of the Lady Rockets season while boys received one of the Rockets season. Cheerleaders and several others received one of each.

Speeches and special awards were also given by Coach Smith, Coach Wooten, and cheerleader sponsor, Mrs. Lewis, as they recounted memories of the Rocket season, Master of Ceremonies was former teacher and coach, A.D. Jarrett, and Mistress of Ceremonies was Mrs. Phyllis Carden, guidance counselor. Both entertained the crowd between presentations with amusing stories and anecdotes.

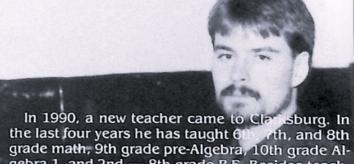

In the fall of 1993, a new organization appeared at CHS. The Fellowship of Christian Athletes is pictured above with its first charter members and advisors. Officers are pictured on the bottom row. FCA, a volunteer organization, is open to all students in grades 9-12 who are a part of any athletic group here at CHS. In the first year of organization, the Clarksburg FCA has been involved in several events. They have hosted a Homecoming Bonfire and Valentine Party. During their meetings, scheduled at 7:00 A.M. every other Tuesday, they have invited guests such as Bobby Jordan, Bro. Jimmy Scott, and Lynn O'Bryant. Thank you Ms. Baker and Mr. Smith for your time and effort in sponsoring this program.

On Feb. 17, 1994, the night of flomecoming '94, Craig Williams was honored at Clarksburg High School by having his Rocket salt dumber, 52, retired, During Craig's high school years, he amassed 1650 points. In 1993, his senior year, Craig was selected to the 13A All-District Team, the All-Region 7A Team, the All-West Tennessee 2nd Team, the TSWA All-State 1st Team, and the AP All-State Honorable Mention Team. Craig is currently attending Bethel College where he is continuing his basketball career. Congratulations Craig! We are all so proud of you!!!

gebra 1, and 2nd - 8th grade P.E. Besides teaching, this man coached baseball for 2 seasons, and softball for two seasons. He also coached the Jr. High boy's basketball team for two years and the Jr. High girl's basketball team for two years. This man also coached the High School girl's basketball team for four seasons. This program progressed from a last place ranking in 1989, to a 3rd place ranking in the district in 1994. His other duties included Senior class sponsor, FCA sponsor, Beta Club trips sponsor, and an assistant High School boy's basketball coach for four seasons. e referring to is Mr. Rick Smith. We would like to thank Coach Smith for the time and effort he has invested at Clarksburg School. This 1993-94 school year will be the last for Mr. Smith to teacher here at Clarksburg. He will be leaving us to pursue other career opportunities. We wish you all the luck in the future.

The following FFA members went: Ron Jordan, Julie Longmire, Jason Moore, Jeremy Townsend, Shannon Shands, Jeffery Vestal, Jacob Stripling, Jason Hastings, and Amanda Stokes. Our first day up there, we just got settled in. We drew names to see who would go to what meetings. The second day, three stayed behind to go to meetings while the rest went to Pi-geon Forge. The same the third day. After the meetings were over, we all had the rest of the day to explore the city. There was a lot of things to see and do. The last day we got up early for our long ride home. That's our trip to Gatlinburg.

On February 28th, the Clarksburg Jr. High Beta Club had their Induction Cere-

mony in the Clarksburg School Cafeteria. Mrs. Stokes started it off with a short speech. Cristie Pritchard, President, said a short speech and lit the red candle. Andrew Stokes, Vice President, took the white candle and lit it from the red can-

dle and gave a short speech. DeLecia Townsend, Secretary, took the blue candle and lit it from the white candle and then said a short speech. Slade Kyle, Treasurer, took his gold candle and lit it from the blue candle and made a short speech. The last person who lit a candle was Christy Tucker. As she lit her black candle she gave a short speech as an old member. Jamie Glosson said a speech as he represented the new members.

After the candle lighting ceremony, Mrs. Stokes presented certificates to each new member. At the conclusion of the certificate ceremony, all Beta members present were treated to refreshments.

On November 22, 1993, the Clarksburg Junior High 8th Betas and officers went to Nashville, chaperoned by Mr. and Mrs. Dennis Stokes, and stayed at the Opryland Hotel for the Beta Convention. They carried with them a banner, scrapbook, drawing, and crafts made by the members to submit for competition. The first meeting was in the auditorium to hear the officers of the state speak to us and encourage us to stay in Beta. After the officers finished speaking, Betas from various counties performed skits for awards. We did a skit entitled "it's Me Again Margaret." After the skits were finished, some Betas sung a song for the competition. After we were dismissed, we went to our rooms and talked a while. At 7:00 p.m. that night, they had a dance which all Betas were invited. The dance ended at 10:00 p.m. From 10:00 p.m. to 11:00 p.m., we had free time. At 11:00 p.m. everyone had to be in their rooms because that was our curfew. The next morning, we listened to all of the awards that the Betas from different countles got. Then we left to go home.

On Monday, May 9, 1994, the Clarksburg Junior High Beta Club met in the school cafeteria at 7:00 p.m. for their '93-'94 Beta Banquet. The invocation was given by Mr. Dennis Stokes. After dilning on a delicious meal served by Randy's Best Way, Cristie Pritchard, our President, gave a short speech. Mrs. Linda, our Elementary Principal, congratulated all of us on our hard work to become Betas. Mrs. Stokes, our advisor, gave awards to all members. Then all the Beta's at the banquet introduced themselves by grade level. Pictures were taken of all the Beta members. After the appropriate photos, Mrs. Stokes dismissed our banquet.

photos top to bottom clockwise: 4th grade graduates, Miss Tennessee — guest speaker, Just Say No Clowns perform, Amanda reads her essay as Trooper Woodward listens, and Dare graduates surround Miss Tennessee

Dare graduation was held in the CHS gym on December 9, 1993. After a welcome by Mrs. Linda, Miss Tennessee, Kathleen Brang, the official spokesperson for the Governor's Alliance for a Drug Free Tennessee, spoke to the assembly about the importance of a drug free lifestyle. Following a reading by graduate Amanda Swinford, a skit by our own Just Say No Clowns, Penny Carter, Shawn Thompson, and Melissa Gurley, and a song by the graduates, Trooper Woodard, Dare Instructor, and Miss Walker, 4th grade homeroom teacher, presented the certificates to the graduates. After a few closing remarks by Mr. Wooten, the assembly was dismissed for refreshments donated by our Partners in Education and served by Beta Club members.

REMEMBER I know we time the call and the transport of the distance between, from embed in the case old times, the miniories we we seen. Offers will come and go, Leaving latighter and tears, thicking of the past times, Now called 'wonder years.' for things of 'remember when,' dust knew my love in your heart, For advice new and then. Now school days are forgotten, A new life now begins. With brand-new loving memories, Brand-new 'remember when's.' Brand-new "remember when's." Don't ever lose your goals, my friend, Don't turn your heart away, For when you open up your eyes, will be there for you each day. Anonymous
